WHO WE ARE

For more than 90 years, Blue Cross and Blue Shield (BCBS) companies have provided quality health care coverage to people in communities across the country. Today, the **independent and locally operated BCBS companies** take what we learn from covering **1 in 3 Americans** and use it to transform our health care system, improve the health and wellness of our local communities, and advance health equity.

WHO WE SERVE

BCBS companies are working to keep health care costs down for everyone regardless of how they get their coverage:

18M

unionized workers,
retirees and their families

5.8M

federal workers, retirees and
their families through the Federal
Employee Health Benefits Program

6.8M

through small business employers

7.4M

through the individual market

13M

through Medicaid programs

4.6M

through Medicare Advantage

5.3M

through Medicare Part D
Rx drug plans

4M

PARTNERING FOR IMPACTFUL CHANGE

an initiative focused on improving affordability and access to costly medical benefit drugs or nearly 100 million Americans.

a partnership in which BCBS companies have provided implicit bias training to more than 5,000 providers, health care professionals and students across nearly 30 states.

BOYS & GIRLS CLUBS OF AMERICA

a partnership where BCBSA and its member companies are investing more than \$10 million over four years to train over 48,000 staff in more than 5,000 Clubs in trauma-informed practices to better support the emotional and mental well-being of more than 3 million children.

a partnership that will begin manufacturing and distributing insulin with a recommended purchase price of no more than \$30 per vial – a savings of nearly \$400 for uninsured and underinsured individuals.

REIMAGINING HEALTH CARE TO ADVANCE HEALTH EQUITY

People of color are disproportionately impacted by many of the nation's top health conditions. Our National Health Equity Strategy includes:

- Collecting data to measure disparities
- Scaling effective programs
- Working with providers to improve outcomes and address unconscious bias
- Leaning into community partnerships
- Influencing state and federal policy decisions

TRANSFORMING CARE WITH DATA-DRIVEN SOLUTIONS

By drawing on our robust data from covering 1 in 3 Americans, BCBS companies are uniquely positioned to provide insights on health care quality and cost at the local, regional and national levels.

A network that includes **1.8 MILLION** doctors and hospitals nationwide

An estimated **\$600 BILLION** in annual claims nationally

More than **81 MILLION** BCBS members across 50 states, and Washington, D.C., have access to value-based care from more than **654,000** providers

INVESTING IN LOCAL COMMUNITIES

Through corporate giving and foundation investments, BCBS companies create programs and support community partnerships that have a great impact on the health and well-being of our local communities – driving more equitable care for all Americans.

Investing more than **\$500 MILLION** in community health initiatives

DONATING \$25 MILLION to improve behavioral health care

GIVING \$19 MILLION to improve maternal health

PROVIDING \$18 MILLION to address youth mental health
